

# Curriculum Map

**NB Our phonics scheme is 'Letters and Sounds'. Our reading schemes are: KS1 - Oxford Reading Tree, Sunshine, Big Cat. KS2 – Big Cat, Rigby.**

This document summarises the topics covered during the Academic Year for Year 1 to 6 (F2 follows the Early Years Foundation Stage Curriculum). The Programmes of Study for the different Areas of Learning are based on the 2010 document "The National Curriculum Primary Handbook". More detailed information about the knowledge and skills taught through these topics is available on request – please speak with the Headteacher. English and Mathematics teaching is being developed to be in line with the new National Curriculum which is implemented nationally in September 2014. This is planned and delivered depending on the needs of each class – this sometimes links into overall topic work but is not included here.
