

Literacy

We will be looking at lots of different genres of writing based on our topic this term. For example:

- Letters
- Diaries
- Stories
- Balanced arguments
- Report writing

Art Work of Julian Opie and Pete Mc Kee

- Drawing self-portraits and studying the work of a British artist (Julian Opie) and a local artist, Pete Mc Kee- looking at influences and styles and attempting work in those styles

Science

What Can We Do?

- Asking questions that can be answered by different types of investigative activity and decide the best approach to use.

Exploring and explaining practical ways in which science can contribute more to a sustainable future

Great Britain Summer Term

Maths

We will be focusing on problem solving to prepare the children for their move to secondary school.

Topic

Our key questions for this topic are:

- Who runs our country?
- Who leads change?
- How does change impact us?
- How is change implemented?
- What is our capital city?
- The Royal Family - who are they?
- Why are we using the British Pound?

Health and Well-being

Health

We will be learning about how to lead a healthy lifestyle, focusing on exercise and healthy eating.

PE

Leadership and Competition

We will be using cricket to enhance the children's skills in leading a group and taking part in competitive games.

RE Islam

Know what the five pillars and Hajj is
Understand why Muslims take pilgrimage
Think about any special journeys that you make.
