

# PORTER CROFT

## Church of England Primary Academy

Sports Premium Grant Expenditure:  
Report to Governors: Academic Year 2017/18

Key priorities identified
Professional development of a new PE co-ordinator
Staff continuous professional development and training
Continuing lunchtime and after school provision
Developing competition

Area of Funding	Allocation	Objective
SUFC		Staff CPD throughout the year
Sports Day at EIS		Promote competition throughout the school
After school clubs		Provide pupils with opportunities to participate in different sports
Swimming		
Points Learning Network		Development of the PE co-ordinator to keep up to date with PE developments and competitions
PE conference	£50	Development of the PE co-ordinator to keep up to date with PE developments

### Rationale

The table above gives details as to how our sports premium funding is being spent in order to improve pupil outcomes. We want pupils to leave Porter Croft being physically literate, having the knowledge and skills to be able to lead a healthy and active lifestyle. We also wish to ensure that staff are upskilled and confident when delivering PE lessons and extra- curricular sports clubs. Finally we aim to participate in more sporting competition with other schools across the two key stages and in a range of different sports.

**Impact Measures / Review**

Professional development of a new PE co-ordinator

○

Staff continuous professional development and training

○

Continuing lunchtime and after school provision

○

Developing competition

## SPORTS PREMIUM AT PORTER CROFT 2016/2017

After completing an evaluated action plan of PE provision across the Academy we have highlighted 4 key priorities:

- **Staff continuous professional development and training**
- **Continuing lunchtime and afterschool club provision**
- **Developing competition**
- **Celebrating and sharing pupil achievements**

### STAFF CONTINUOUS PROFESSIONAL DEVELOPMENT AND TRAINING

Staff will be supported through team teaching with coaches and PE specific visitors to further develop the use of differentiation. Staff will receive support with using assessment systems in lessons including assessment for learning (AFL) which can inform future planning and activities.

### CONTINUING LUNCHTIME AND AFTERSCHOOL CLUB PROVISION

With the expertise from external coaches and school staff children will be offered an extensive range of clubs and sports during lunchtime and after school. These will be communicated to children and parents through a clubs menu sent out once a term.

### DEVELOPING COMPETITION

Every child will have the opportunity to compete in a whole school sports day and children will have the opportunity to compete in competitions as part of a class or through the afterschool club provision.

### CELEBRATING AND SHARING PUPIL ACHIEVEMENTS

Parents and carers will be updated regularly celebrating and sharing pupil's achievements across the academy through the use of Twitter, which can also be found on the school website. There will also be a new PE sports board in the entrance hall and regular sporting updates on the monthly school newsletter.

## SPORTS PREMIUM BUDGET PLAN 2016/2017

Sports Premium total: £8855

Sheffield United (team teaching coaches)	£3311
Afterschool Clubs	£2354
Swimming	£1940
Points Learning Network	£850
Sports Tournaments – Coach hire	£400

## IMPACT OF SPORTS PREMIUM SPENDING 2015/2016

The impact of our spending measured against our priorities:

### STAFF CONTINUOUS PROFESSIONAL DEVELOPMENT AND TRAINING

Staff have used their team teaching time with Sheffield United effectively and staff have learnt from other sessions and PE specialists over the year. Staff either observe or take part in the lesson and then adapt their planning and teaching to reflect the new skill.

### DEVELOPING LUNCHTIME AND AFTERSCHOOL CLUB PROVISION

Clubs are being offered to pupils every day of the week and vary from sporting to cooking. 75% of pupils across the academy are accessing out of hours learning over a school week. Clubs are being run by a mixture of school staff and external coaches which means specialist knowledge is being shared with the children.

#### DEVELOPING COMPETITION

An increased amount of competitive opportunities have been offered this year in the form of Network Games, Cross Country competitions and tournaments held as part of the club sessions. All children will have the opportunity to compete in their 'houses' in a whole school sports day booked for the 9<sup>th</sup> of June 2016.

#### CELEBRATING AND SHARING PUPIL ACHIEVEMENTS

Updates about clubs, PE sessions, trips and achievements are being shared on Twitter which has an increasing amount of parent followers.
