

Handwriting- Keep practicing writing your name and the letters of the alphabet in lowercase and CAPITALS.
(If you need a sheet with the correct formation for each letter please see Miss Lodge)

Try and share a book 5 times a week with someone in your family.

Remember to use your robot arms to help you sound out words!

Practise your number bonds to 5. Can you find all the ways to make 5?

Next try your number bonds to 10. Pratis writing out your numberbonds as number sentences.

Find out about the life cycle of a frog. Can you draw and label it's life cycle too?

Make a butterfly collage - how many different materials can you use?

Go on a spring watch walk with your grown up in the park. How many different creatures can you spot? Draw and label what you find.

Tell the story of Farmer Duck. Can you remember all the jobs he has to do?

Literacy- Make a table of the days of the week and draw and label 2 or

more healthy things you have eaten or drunk each day.

Find out about healthy foods - can you write a list of 5 healthy foods and 5 unhealthy foods?

Listen to your favourite piece of music or song. How many different ways of moving can you create? Can you put three moves in order to make a routine?

Literacy- Visit the Library and read some books. Can you find fiction and non-fiction books to read? What is the difference?

Practise counting forwards and backwards to 20.

Next have a go at counting in twos up to 20. You could start by shouting the twos and whispering the other numbers e.g. 1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20

Research what can you do to stay healthy?

Play a game with your grown up where they say a number 0-20 and you shout which number is

one more or one less!

Read your favourite story book. Now can you re-tell it and change the characters and events? What happens in your story?
