

## Literacy

We will be creating non-chronological reports linked to animals that live in river and mountain environments. We will also be writing poetry linked to water and rivers.

## Art

We will explore how artists have represented landscapes and water through art. We will be developing our sketching and painting skills.

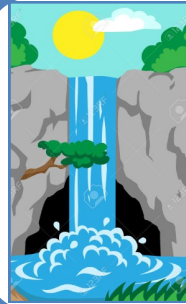

## Science

### States of Matter

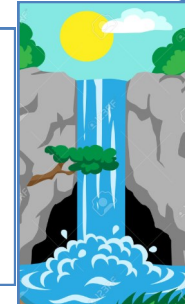

We will be learning about solids, liquids and gases and how we classify materials into these groups. We will also be exploring the water cycle and the changes between states.

## Maths

- We will be looking at angles (acute and obtuse).
- We will be looking at the properties of different shapes.

## River Deep— Mountain High Y4-Spring 2

## Health and wellbeing

### Body and Hygiene

We will be looking how we can look after our bodies and how our bodies change as we get older.

## Physical education

This term we will be learning the key skills of hockey as well as choreographing our own river inspired dances.

## Enquiry

Our topic is all about Rivers and Mountains. We will be learning about landforms, how they form and the different types of environments they create. We will also be learning about some of the world's major rivers and mountains.

## Religious education

We will be learning about Jesus—The man who changed lives. We will explore Christian's beliefs in Jesus as a man and what he did to help people. We will be looking at why Good Friday is called Good Friday, despite it be-
