26th March
Easter Egg
competition

27th March
Last day of term

Wheelie Wednesdays

Don't forget to come to school on your bikes or scooters to be entered in our prize draw!

Clean Up

We have just received an email from a community group called 'Love our Streets' who have recently been cleaning up the streets around school. There has been a noticeable difference with regards to the rubbish lying around and there have also been new litter bins installed outside our school. The work has been supported by the Green Councillor -Angela Argenzio and the Council Cabinet member in charge of Streetscene Mark Jones. We will be writing thank you letters from our pupils.

Twinkl

To support you during this period, Twinkl is offering every teacher in England access to all Twinkl resources with a One Month Ultimate Membership, totally free of charge. We're also extending this to every parent

and carer in our school so our pupils can still have access to high-quality learning during any periods of disruption.

Setting this up is really easy to do - go to www.twinkl.co.uk/offer and enter the code UKTWINKLHELPS

Easter Holiday

Please note we break up for the Easter holiday on **Friday 27th March** and return to school on **Tuesday 14th April**.

Science Week

The children had a great week last week looking at chemistry. They had two workshops making slime and sweets with 'Sublime Science' and 'Fun Science' and lots more experiments in class. Thank you for all your donations, we raised £92 towards the cost of these workshops.

Coronavirus

We are following the Government guidelines and will remain open until the Easter holiday. If there are any changes I will inform you as soon as possible. Trips are now cancelled, including our Easter service at St Mary's. All after school clubs are also cancelled, with the breakfast club and after school open for essential use only at this stage.

Thank you
Cath Thomas
Headteacher
