

The classes will look slightly different for children when they first arrive back to school. All children will have a desk to sit at which is 2 meters apart with their own tray of resources which they will use for the day.

Please take a look at the new layout of the rooms and show these to you children so they can see how school looks slightly different.

Year four classroom - Key workers

Year five classroom - Y6 class of 10 pupils

Year six classroom - Y6 class of 10 pupils

Year three classroom - Y6 class of 10 pupils
