

# Join Steel City Choristers!

# Join Steel City Choristers!

Steel City Choristers is an exciting and innovative choir of children and experienced adult singers rooted in the English choral tradition. We offer children a free first-class musical education, and we serve a wide range of communities in and around Sheffield through a diverse programme of concerts, services and projects.

Singing with Steel City Choristers is open to boys and girls age 6-18, subject to an informal audition, and is free of charge. We rehearse on Mondays and Fridays, and choristers age 9+ receive free singing lessons. Juniors rehearse only on Mondays.

We would also like to hear from experienced adult singers who are good sight readers, who could join either as regular or occasional members, rehearsing on Fridays.
