Dear Parents and Carers,

As part of our end of year celebrations, we are looking at hosting a summer fair on Friday 12<sup>th</sup> July that showcases a range of different cultures. We are very proud of the diversity in our school community and we would like to celebrate this in an event that will take place at the end of the school year. However, to ensure this is successful, we need your help.

We are looking for volunteers who will be able to set up a stall which presents information all about your culture. This could include traditional food, traditional clothing, music, information about your country of origin, flags and much more. The aim of this is to share information with others. At the event, each child will have the opportunity to take part in an activity to 'hunt' for facts from each culture to win a small prize. The more stalls we have, the more successful the event will be. If you would like to set up/or be part of a stall at our fair, please complete the slip below and hand it into the office.

As well as this, to raise funds for our school, we are going to be putting together a 'Porter Croft Recipe Book', which contains recipes from different cultures and represents our community. We are going to be selling these at the event. There will be recipes from staff members and we would really like your recipes too. If you have a recipe that you would like to feature in the recipe book, please hand it into the office or email school by **Friday 24<sup>th</sup> May**.

If you need any further information or support, please do not hesitate to contact us.

Thank you for your continued support,  
Rebecca Hocking  
(Inclusion lead)
